# CORNELL MATH EXPLORER'S CLUB

[https://math.cornell.edu/k12-enrichment#math-explorer's-club-\(grades-8-12\)](https://math.cornell.edu/k12-enrichment#math-explorer's-club-(grades-8-12))

for students in grades 8-12

## Topic: Probabilistic Games

Have you played card games and wondered about your optimal strategy? How can we think strategically about uncertainty in everyday life? Probability is all around us – in sports, weather forecasting, and politics. Come join us for virtual Math Explorer's Club to play games that challenge our intuition about randomness!
